Fast And Slow Results

Fast and slow results were experienced last Saturday when the Combine averaged about 64 m.p.h. from Parachilna and the Association flew at about 33 m.p.h. from Dimboola.

Strong north-east winds throughout provided an easy flight for the Parachilna entrants and a hard one for the Dimboola birds.

Returns in the day were assessed at 95 p.c. from Parachilna and 70 p.c. from Dimboola. Sunday's boisterous conditions did not make it any easier for those not on the perch on Saturday night.

AGGREGATES

The East Suburban club race aggregate was won by M. Harshegyi with 35 points from R. Palmer 26, and C. Hawke 25 points. Mr. Harshegyi won three firsts, two seconds, one third, one fifth and one sixth to score points in eight of the ten races flown.

M. Murphy (West Torrens) has recorded the fine feat of winning his club race aggregate two years in a row.

He amassed a total of 205 points to win from M. Antoniew 194, and G. Downer & Son 191. R. Blyth and W. Mathews tied for the Hampstead honors with 43 points each. J. Cox finished third with 30.
