Second place SAHPA Coleambally No. 2 in 1997.

Three that John is breeding from this year.

BELOW ARE SOME OF JOHN'S ACHIEVEMENTS THIS DECADE

1990 SEASON: 9th SAHPA Aggregate Points gaining 104 points against 475 members entering 54,121 birds in 12 races.

Season highlight: 1st, 2nd and 4th from Alice Springs 1321 kms, 130 owners sent 412 birds and the winning velocity was 1000.837 mpm. In this race John had the only 2 birds home on the second day at 52 seconds apart.

1991 SEASON: 2nd SAHPA Aggregate Points gaining 156 points against 470 members entering 51134 birds in 13 races.

Season highlight: 1st SAHPA Emmdale 10 Bird Special 632 kms, 318 owners sent 2599 birds and the winning velocity was 951.599 mpm.

1992 SEASON: 5th SAHPA Aggregate Points gaining 106 points against 464 members entering 58671 birds in 11 races.

Season highlight: 1st Alice Springs 1321 kms, 149 owners sent 441 birds and John had the only bird home on the second day with a velocity of 918.801 mpm.

1993 SEASON: 1st SAHPA Aggregate Points gaining 121 points against 454 members entering 52416 birds in 14 races.

Season highlight: 1st SAHPA Morundah 701 kms, 241 owners sent 3032 birds and the winning velocity was 882.165 mpm. This bird was the only bird clocked before darkness fell and has proven her worth as a breeder of stock birds and race birds at all distances.

1994 SEASON: 2nd SAHPA Aggregate Points gaining 160 points against 465 members entering 44370 birds in 15 races.

1995 SEASON: 1st SAHPA Aggregate Points gaining 279 points against 444 members entering 46627 birds in 16 races. The 279 points John gained was the first time any member had gained more than 200 points and exceeded the SAHPA previous highest points score of 191 which John attained in the 1988 Season.

Season highlight: 1st SAHPA Temora 817 kms, 196 owners sent 1713 birds and the winning velocity was 1035.073 mpm. This bird was clocked approximately one hour after sunset winning by over two hours in front of the next bird.

1996 SEASON: 1st SAHPA Aggregate Points gaining 191 points against 444 members

entering 43024 birds in 14 races.

1997 SEASON: 1st SAHPA Aggregate Points gaining 164 points against 420 members entering 45963 birds in 14 races.

Season highlights:

ε 1st SAHPA Coleambally No 1, 663 kms, 226 owners sent 2432 birds and the winning velocity was 1107.398 mpm.

ε 1st, 2nd and 3rd SAHPA Coleambally No 2, 663 kms, 196 owners sent 2067 birds and the winning velocity was 1347.242 mpm. These three birds landed together and the interesting connection between these three birds is that their fathers are three full brothers all being sons of the 1993 Season Morundah winner when she was mated to her nephew.

1998 SEASON: 1stSAHPA Aggregate points gaining 192 points against 426 members entering 44,029 birds in 14 races.

Season highlight: 1st Alice Springs 1321 kms, 129 owners sent 507 birds and the winning velocity was 951.219 mpm. This was a smash race with only 2 birds home on the second day and only 14 birds home after four days.

ALL OF THE ABOVE RESULTS ARE AGAINST OPEN COMPETITION
