

Where did this all begin?

In 1956, Peter Ainsworth Snr. and his family lived in Calembeena Avenue in Oakleigh. His son, Peter, the current VHA Clock Chairman, Executive Officer, Life Member, Champion Fancier, friend and respected competitor, became interested in pigeons. Just a few doors away, in Dallas Avenue, lived Jack Harrison, a well-known VHA Life Member, former Clock Chairman, member of Pathfinder, Victoria etc.

Naturally, young Peter (many of us even today refer to him as young Peter) was drawn to Jack's home, his loft, his birds and to the racing pigeon fraternity. While quietly spoken, Peter seemed to know instinctively which birds he wanted. So it was that he managed to get VHA 56. 3020 from Jack Harrison. Around the same time Peter and his father attended the Malvern Squeaker Sale where they purchased birds from the late Jack Stevens. So started a dynasty of personally selected progeny that have stood the test of time. Peter has won approximately 100 Old Bird Federation Positions MORE, than any other VICTORIAN HOMING ASSOCIATION member.

Check out the VHA Honour Boards. From memory he is one of only two members that have won the Young Bird Aggregate, Old Bird Aggregate, Combined Aggregate and the Ten Bird Aggregate. Indeed he has won 2 Young Bird Aggregates, 1 Old Bird Aggregate, 4 Combined Aggregates, 2 Bird of the Year and 1 Ten Bird Aggregate. Add to this 2 five hundred mile fed winners, 1 four hundred mile fed winner, a 350 mile fed winner, 2 three hundred mile fed winners, a 240 mile fed winner and 1 150 mile fed winner to establish him as an awesome competitor and champion fancier. Additionally he also won a ten bird special race. You may like to research how many 2<sup>nd</sup> fed places Peter has won, it is more than any other VHA member.

Peter is regarded as the best judge of a pigeon in the Association. His birds have won in so many shows that it is impossible to list. He has judged racing pigeons in many venues. His judgement is always keenly sought by many of our top fliers.

For example, one day Peter and I visited the home of Martin Sabransky, in Clayton. Observing, ever so quietly Peter asked about one of the stock hens. She was a Mifsud Hen, which Martin parted with to Peter. Did she make an impression! Many of her descendants are among the winners over the last twenty years. Some years later Peter managed to get Pied Jack from Wally Wojak. Pied Jack was a BBPC bred off a brother to John Jackson's Produce Fed Winner, mated to a hen from Tom Meehan. He had bred Wally many fed places but the young ones didn't seem to breed on. That is until Peter managed to secure him from Wally. Peter is one of those talented pigeon fanciers who has stock sense. It is a natural knowledge, a gift, which he has used for years to breed magnificent pigeons that win, win and win again.

Over the years Peter has carefully selected birds of extreme value. Names such as George Vella, Terry Groves, Keith Saggars, Noel Podesta and Wally Wojak feature in the pedigrees. However, the main thrust is still his family of selected birds. In more recent

years he has included some Jansens, Roger Vereeke, Wickhams etc. but only specifically selected birds.

Those of us that have had the pleasure of handling his birds on race nights, know that they are always the best presented pigeons. They reflect his careful breeding, attention to detail, his passion to do the very best for his birds.

Peter has certainly been a great asset to the VHA. He has been Clock Chairman for the past 25 years, following the late Jack Harrison. Jack taught Peter many points regarding clocks. Over the years, little or nothing has slipped past Peter. His diligence and knowledge is well known, not only in the VHA but also in the wider racing pigeon fraternity.

Sadly, Peter is disposing of all of his birds, clock, baskets, etc. due to ill health.

**FIRSTLY, THIS IS YOUR ONE CHANCE TO PURCHASE BIRDS FROM A FANCIER WHO HAS SPENT FIFTY YEARS BUILDING AN OUTSTANDING FAMILY OF RACING PIGEONS.**

**SECONDLY, THIS IS A GREAT OPPORTUNITY TO ASSIST PETER AND HIS FAMILY AT THIS DIFFICULT TIME. LET'S FACE IT, THE SPORT IS A BETTER ONE FOR THE TIME AND ENERGY PETER HAS GLADLY GIVEN ON OUR BEHALF AT ASSOCIATION LEVEL.**

**THIRDLY, IT IS AN OPPORTUNITY FOR ALL OF US TO SAY THANK- YOU PETER. WE ALL WISH YOU WELL IN YOUR FIGHT TO RECOVER.**

**IT IS IMPORTANT TO PETER AND TO THE SPORT THAT THESE BIRDS REMAIN A FORCE TO BE RECKONED WITH IN THE FUTURE.**

**PETER'S MOTTO IS:**

**“APPLES DON'T FALL FAR FROM THE TREE”  
IN OTHER WORDS BUY THESE WINNERS TO BREED WINNERS.**
