FREE SAUSAGE SIZZLE

Due to Brian's ill health he has decided to call it a day, therefore all stock and race birds will be sold. Also hampers, drinkers, nest bowls, feed trays and clocks: STB and Benzine.

This is a unique opportunity for flyers to purchase some of the best Dangerfield/Pryor birds. Birds were gifted to Brian and also purchased from Roy Dangerfield and John Pryor. Over the years Brian has been one of the most competitive flyers in the Association in hard and long races with the support of his wife Phyllis.

Brian's 2013 racing team has limited information as most were bred in the flying loft and records were not kept.
