

**RACING PIGEON AUCTION-FRED DIMELLA- SAHPA  
SUNDAY 18<sup>TH</sup> OCTOBER, 2009 AT SAHPA HALL, BAULDERSTONE RD GEPPS  
CROSS, SA. AT 10:30 AM, BIRDS ON DISPLAY FROM 9AM.**

**AUCTIONEER: RAY FEWINGS.**

I have decided to devote time to a family project next year meaning that I will not be racing pigeons in 2010 and possibly not in 2011.

Therefore, I have now a selection of very well credentialed, road tested pigeons that could remain inactive for possibly two years. I am of the opinion that it is not beneficial for pigeons to be neither racing nor breeding for that period of time.

Accordingly, I am offering pigeons which have either contributed to my success or are closely related to the key pigeons in my loft.

**My Performances in the SAHPA Overall Point Score against approx 250-300 members in the past 4 yrs have been:**

**2005-1<sup>st</sup> position**

**2006-1<sup>st</sup> position**

**2007-1<sup>st</sup> position**

**2008-10<sup>th</sup> position**

I was unable to fly the last 3 races in 2008 due to work commitments and have a similar problem in the 2009 season and will cease flying shortly.

**Bloodlines**

The main families of my pigeons are **DeWeerd, Wickham, Pryor, Goodger and Janssen.**

The background of my birds is as follows: I was fortunate to be gifted some pigeons by Keith Wickham in my early days of racing. Later I added quality pigeons from John Pryor's auction and Grant Paterson. In addition stock from the Saggars Bros had an impact on my loft.

In 1996 I purchased, in partnership with two other fanciers, twelve DeWeerd pigeons from Andy Gregson, of Lancashire in the UK. This proved to be a master stroke as Andy had a very good relationship with Emiel DeWeerd and had procured many birds from his champions. These 1996 arrivals, therefore, carried bloodlines close to the top performers and this was reflected in the success for which they were immediately responsible. That success has contributed to this day.

The birds on offer carry the bloodlines that have been responsible for 4 SAHPA winners and those pigeons have enabled me to be ultra-competitive in the strong SAHPA competition culminating in 3 consecutive recent Aggregate points championships.

**WEBSITES FOR CATALOGUES:** The catalogue will be placed on the SAHPA and Pigeon Journal websites. [www.sahpa.asn.au](http://www.sahpa.asn.au) and [www.pigeonjournal.com](http://www.pigeonjournal.com) under the upcoming events link.

**BIDDING REPRESENTATIVE:** Fanciers who are unable to attend the auction can arrange with Tim Fawcett on **0400 400 324** to act on their behalf.

**CATALOGUES AND FURTHER INFORMATION:** Can be obtained by contacting Fred Dimella on **0419 808 969**

Some of the more influential contributors in my loft in the past 5 yrs have been the following 4 pigeons:

**REF A- SA 01 00599 BCC-DeWeerd (Lot 16 )**

**REF B- SA 00 02198 BCH-DeWeerd (Lot 17)**

This is a long term traditional mating known as the "Famous Box 28 pair". This pair has been the source of many SAHPA placed pigeons for me and they are now showing good signs as grandparents also, as I have raced most of their progeny for two to three seasons I have only raced grandchildren the past two yrs. They incidentally are ½ brother & sister.

REF A & B have produced together the following since 2004:

**1<sup>st</sup> club 2<sup>nd</sup> SAHPA Marla 1000 km 2006**

**2<sup>nd</sup> club 2<sup>nd</sup> SAHPA Booroorban Open 560 km 2006 ( this hen landed with my 1<sup>st</sup> SAHPA)**
