ENQUIRIES: HAROLD DONOVAN Phone 82621396. B. 4. 8. PM.

It is with great regret that I am forced to dispose of all my pigeons at this time. I suffer with the dreaded pigeon lung condition and have been advised by my Doctors that my condition has worsened and that I must dispose of my birds immediately.

I had mated up my birds and have reared a round of youngsters. These youngsters will be offered in the sale as they are around 4 weeks age.

I was particularly looking forward to the coming season as I was breeding heavily around my EUCLA SAHPA winner who has proved an outstanding stock hen, breeding pigeons which are in turn breeding winners for a whole lot of flyers. N Kakoschke recent 1st SAHPA Booraban is a grand-daughter and just one of many top birds down from the old hen.

My son, Brian Donovan has established himself as a top flyer and this year Brian had lent me a family of the Delaine pigeons that he obtained from Alan Tyeman, who in turn had obtained most of the family through Dennis Russell and John O'Donnell. Some of the stock birds have been returned to Brian but the youngsters from the matings are in this sale. This Delaine family of birds have been an instant success for Brian and I am sure they will prove just as successful for anyone who obtains the bloodlines. Many a good flyer in the SAHPA owes his success to this family of birds which can be traced back to the sale of Charlie Delaines loft in 1977. The family of birds are predominantly, Blanden (Kalgoorlie Girl line), Schumann, O'Conner, Stokoe.

I am known to be a hard taskmaster on the birds, I concentrate on the East line racing and I am particularly severe on Cock Birds. You wont find many Cock birds in this catalogue as I am a true believer in only tolerating Cocks that are somewhat special. Cocks that make it to the stock cage have had to earn their perch. I cull heavily and hens that are kept for racing as two and three year olds have been consistent pigeons.

I have enjoyed my pigeon racing and have had good success over the years including,

Winning the SAHPA points on 2 occasion,
Bird of the Year SAHPA,
1st SAHPA EUCLA
1st SAHPA MARYBOROUGH
1st Wilcannia SAHPA Sires
2nd & 3rd SAHPA YOUNG beaten by 3rd Decimal point
Numerous top SAHPA Placings

I am sure that the pigeons in this sale will bring success to the purchaser
