

Ray Fewings – Sale of all Breeding Stock S.A.H.P.A. Headquarters Sunday 6th June – 10.30 am

Due to personal circumstances, I am forced to dispose of my Stock Birds including a number of Association Placed Birds.

I have bred a Race Team for 2010 but am unlikely to race at this stage.

I have always been a keen hard-line flyer, and my birds' pedigrees are more concentrated on this type of bird.

In the twenty (20) years that I have been flying, I have been lucky to have had three (3) outstanding Pigeons - a daughter of Abraham's 42561 who left dozens of good hard birds, 21483 who was clocked eight (8) times and left my third good Pigeon SA95 45329.

This outstanding Hen was 4th S.A.H.P.A. Booroorban, 13th S.A.H.P.A. Temora, 19th S.A.H.P.A. Farina and 24th S.A.H.P.A. Benalla. She raced to Mile End and then to Prospect. Her Son SA01 00438 is in this sale.

Also offering a number of Birds bred from John Pryor Stock.
