AUCTION SALE

SUNDAY, 7th AUGUST, 1988.

The Kakoschke family of 'bigheart' pigeons which have performed with distinction through the 1980's (dates back to late 1950's) has evolved through selective inbreeding of some of the very best long distance stock of Vic Pape, Doug Green and Arnold Smallcombe. Introduced 'crosses' have generally carried blood of similar ancestry.

This family win from all distances:

- * Keith 220 km - winning margin 5 minutes - Lot 40.
- * Pimba 430 km - winning margin 14 minutes - Lot 115.
- * Creswick SAD 560 km - a clear SAHPA winner - Lot 96.
- * Bathurst 1040 km - clocked 9½ hours before 2nd SAHPA - Lot 97
- * Rawlinna 1320 km - winning margin 8½ hours - Lot 41.

Hence this family have consistently performed with merit in the highly competitive Hampstead Club:

- * 1st Aggregate Points 1986
 - * 1st Aggregate Points 1981
 - * 2nd Aggregate Points 1984
 - * 3rd Aggregate Points 1985
 - * 3rd Aggregate Points 1983
- and in the SAHPA
- * 2nd Aggregate Points 1984
 - * 3rd Aggregate Points 1981
 - * 5th Aggregate Points 1986
 - * 5th Aggregate Points 1983
 - * 13th Aggregate Points 1985
