Our families:

- 1st SAHPA Bathurst 1018 km
- 1st SRC Alice Springs 1317 km
- 2nd SRC Alice Springs 1317 km
- 1st SAHPA Farina YBC 528 km
- 1st Roxby Downs 500 km
(Adelaide \$10,000)

Our family's bloodlines are in birds of Federation winners in Queensland, 600 mile races in Sydney and Victoria. I have line and inbred them to keep the long distance and winning genes intact. I used our families to complement each other looking for speed and endurance.

This will be an excellent opportunity to purchase proven performed birds.

The following results were achieved with small nominations: Alice Springs 1 to 4 birds, Bathurst 8 birds – no big nominations to win major races – preferring quality before quantity.

11th 13th 21st Alice Springs 3rd day

Ref A: The magnificent bloodline “477” Allen Goodger. SA81 477 BCPC.

Sire: SA80 37337 BCC. Half brother to W. Walford's 1st SAHPA Little Topar 480 km.

Dam: Unrung 1980 BCPH. Grand-daughter 1st SAHPA Cook.

We purchased a daughter SA88 19304 BCPH and grand-daughter SA89 43405 BCH at Graeme and the late Ron Eitzen's sale in 1993. Our fortunes changed with the introduction of these birds into

our stock loft. SA88 19304 BCPH when mated to SA87 40834 BCC, son of Ref A “The Champion Marchant Cock”. They bred us SA97 05622 BCPH 1st SAHPA Farina YBC 520 km 5720 birds, vel. 2023 mpm. Her brothers bred on for other fancies. “05622” son and grand-sons all bred SAHPA placed birds for us. A grand son SA00 42891 BCPC (Lot 102) when mated to her bloodline John Pryor's 1st SAHPA Morundah is grandsire 1st SAHPA Lyndhurst Open for B. & F. King (4595 birds).

05622 sister SA97 30712, dam of our 1st SRC Alice Springs 1317 km. On the dam line SA06 24397 BCPH (Lot 23) when mated to 4th 10,000 produced 27th SAHPA Lyndhurst 500 km. Another daughter (Lot 34) 7th Club Nth. Suburban top 20 approx. SAHPA 6,500 birds a week or so back. There is more in the catalogue.

“05622” is granddam of Peter Virgon's (Colac, Vic.) “Hop the Water Classic” winner \$20,000 in 2010

Ref B: SA90 1902 BBH. 1st SAHPA Bathurst 1991. Distance 1018 km.

Sire: SA87 17367 BCPC

Dam: SA87 17384 BCH.

We purchased these birds at Kakoschke Sale in 1990. Their pedigree has bloodlines 1st LDC Rawlinna 1320 km, 1st SAHPA Bathurst '87, 1st LDC Sydney 1190 km. Kakoschke dam line Keith Pryor 1st LDC Tamworth 1200 km, 1st LDC Alice

Springs. A classic long distance pedigree. The "Bathurst" winner was a grand-daughter to these birds. She was a young hen racing in open company and won by 1 hour and a few minutes. She peaked into condition after a 15 hour fly from Morundah 705 kms. Velocity from Bathurst 1082 mpm.

It was reported to me when she was sold on to a fancier in Sydney her blood was in a 600 mile winner over there.

The Bathurst blood is in our Canberra birds 963 km 19 and 20 hrs. The only loft in Adelaide with 2 birds (4 sent).

The 2008 rung birds are inbred and was to carry the bloodline forward in future years. Purchasers of these birds will benefit, it is all about "bloodlines".

Ref C: Sire of 1st SRC Alice Springs 2009. SA99 38063 RCPC (Lot 114).

Sire: SA91 47169 RCPC

Dam: SA94 31998 BBPH

The sire line contains W. Walford's red "Ace" hen SA81 494, SA82 31064 BCH 4th SAHPA Young off sister to A. Goodger's 1st SAHPA Tarcoola SA82 11847 BLKCC brother to Grant Paterson and John Pryor's No. 1 stock cock (Lot 53 x 60) A. Goodger.

The dam line is similar with Red Ace "Hen 494" and the 11847 blcc. In addition ther's SA93 45804 BBC Peter Matthews "old Port Adelaide blood."

I've only had this cock since 2006. Before his daughter went to Alice Springs I mated them together. They are in the sale. Half brothers and sisters and a sister to the mealy hen was in

preparation for racing season 2011. They are all in the sale.

Mealy hen SA00 24362, Lot 115, 1st SRC Alice Springs 1317 kms flying time 20 hrs 40 mins. vel 1062 mpm. I talk often about the need for speed in long distance pigeons.

This hen and similar to the "Bathurst" hen had it in spades. In her lead-up race she was 1st club Hawker 1800 mpm. That's what I wanted from the race team.

Ref D: The bloodline comes from two cocks I purchased from Alan Thede (1995). They were inbred to Grant Paterson's 3rd SAHPA Temora 816 km. From them there was nestmate sisters. 1 was 2nd LDC Alice Springs 1317 km 16 hrs 38 min flying time vel. 1319 mpm. The other 7th SAHPA Morundah 698 kms 13 hrs 48 mins. vel 842 mpm. Both these hens bred down. A local fancier figured in the top 10 from Holbrook (800 km) last year (2010) with this bloodline.
