REFERENCE PIGEONS

REFERENCE A. 5576 BCC HSM 98.

The current foundation stock cock.

Bill has used this magnificent Pigeon to produce his future Stock by inbreeding to his very best Hens.

5576 is the Sire of

1st Marla 700 Miles for Craig Hartley (Mildura).

5th Marla 700 Miles for Darren Hunter (Mildura). Nestmate Sisters.

5th Pimba 500 Miles.

5th Bourke 500 Miles. (4492 BBH L.Sayer) Also flown Wyandra 700 Miles.

5576 is also G.Sire, G.G.Sire of many long distance clock birds that have gained many top positions throughout many country Clubs for several leading fanciers including: Clyde Anstis Traralgon. Claude & Craig Hartley Mildura.

Ricky Schelfout Mildura. Ian Jones Ballarat. Ron Taylor Stawell.

Brian Meaney Ballarat. Len Sayer Horsham. Max Taylor SAHPA.

These pigeons are highly sought after by those who have been fortunate to have received them from Bill to introduce genuine long distance vigour into their Loft. 5576 contains all of the original Pearce Mealy Blood that Bill has owned.

In recent years some Squeakers were sent to both Adelaide and Melbourne One Loft Races. These being the Adelaide Pigeon Club and the John Van Beers VHA Pigeon Punt. They have been competing against the best competition that Leading Country and Metropolitan fanciers can enter and still winning.

The success from these Races has come from direct Grand Children of Ref A.

Twice 2nd Combine Coonamble 535 Miles.

Flown Barrington 580 Miles and Wyandra 700 Miles.

Raced for 3 Years and a top producer Hen.

REFERENCE E. 1851 RCC MILDURA 81.

Gifted to Bill from a long time friend Claude Hartley Mildura.

This Pigeon was to become the once in lifetime Stock Bird that has produced a dynasty of winners for several leading flyers throughout Victoria.

A magnificent RCC that has been described as the perfect Pigeon.

This family of Pigeons originated from Allan Pearce Adelaide who was the importer of the World famous Stassarts. Don Martin acquired these Pigeons after several Loft visits to Allan Pearce in the early - mid 1970s. Claude Hartley used the Pigeons from Don Martin to maintain Don Martins Family of "Pearce Mealy Pigeons".

Bill had many Pigeons gifted to him by both Don Martin and Claude Hartley from the original birds but few matched this cock in performance. Many long distance winners have been bred from across Bass Strait Including Launceston Devonport and Hobart to Country Mainland Clubs (Mildura & Horsham). Most Races being 400—750 Miles.

Sire: NO:1 Pearce Mealy Cock. Purchased by D.Martin from Allan Pearce.

Dam:

REFERENCE F. 3618 BCH HSM 88.

Magnificent Hen. Bred by B.Castleman Raced by Bill Tucker.

2nd Combine Coonamble 535 Miles as a 2Y.O.

Flown Coonamble 535 Miles Barrington 580 Miles and Wyandra 700 Miles as a 3 Year Old Hen. This Hen was suited to Hard Races on the Day and 2nd Day Races up to 750 Miles were no problem.

The preferred mate to 1851 RCC Reference E.

Dam of Reference D. "Goondiwindi Girl".

1st Combine Goondiwindi 735 Miles by 6 Days. Only 2 Birds in Race time.

Twice x 1st CHPC 400 Miles. 4781 BCH BALLARAT 04. (Ian Jones).

248 BBH HSM 89. Flown 700 Miles x 4 Times.

827 BCH HSM 94. Flown 600 Miles and 1995 Bird of the Year.

G.Dam of 5576 BCC Reference A.

G.G.Dam of 1st Marla 700 Miles Bred by Bill and Raced by Craig Hartley Mildura. (Dam of Reference B).

Sire: Pearce Mealy Cock. Owned by B.Castleman.

Dam: BCH . Ian Etherington Mildura.

This family of pigeons dominate the hard long distance Races in Mildura Horsham and Ballarat. For many years only a few people have had access to these birds. It would be highly likely that this is the last family of inbred Stassarts in existence and have been inbred for more than 30 Years.

The Pearce Mealy Family of Pigeons has been Bills favourite Bloodline for almost Thirty Years. The past three years this Family has been specifically inbred for future Stock birds. All Reference Pigeons information is as discussed with Bill, and was verified by both, Bill and Len Sayer Horsham, upon completion. Many of the Pearce Mealy Pigeons in this Sale are extremely inbred. They will provide immediate vigour to any Fancier wanting Long Distance Racing success.

The ideal Distance for these Pigeons is 350 - 750 Miles.

The harder the Race the better they perform.

Every effort has been made to assess the entire Loft of Pigeons for Health and Quality for this Complete Disposal Sale.

Coral and Family wish all purchasers good luck with Bills Pigeons as they were to him his life long sport of choice.
