### Blue Chequer Cock HD. 19. 55

55 Raced the 2020 race season in Central Cumberland Federation. 2<sup>nd</sup> Club, 19<sup>th</sup> Overall CCF Any Age Derby (Queens Cup). CCF premier race 167 fliers 820 birds Bourke 625 Km Velocity 1173.853 mpm. The 2021 race season cancelled due to Covid 19. 2022 I decided to stock this cock rather than risking him on the North Route.

55 is bred the same way as "June Pegasus" Blue Chequer Cock HD. 18. 0261. As published in the Australian Pigeon Journal "June Pegasus" was an outstanding competitor in the Adelaide Pigeon Club One Loft Race. Winning 20/07/2019 Lyndhurst 488 Km Vel: 2111.254 mpm. First prize \$10,000.00. Worth noting that the nest mate hen HD. 18. 0262 was 11<sup>th</sup> overall in the previous race from Lyndhurst Vel: 1887 mpm.

The next race from Cooper Pedy 722 Km on the 17/08/2019 "June Pegasus" won again blitzing the field of 203 birds by 39 minutes recording the second fastest velocity overall SAPHA as the APC birds were liberated along with 2131 SAHPA birds. Winning 1<sup>st</sup> prize \$10,000.00. Recording a velocity of 1523.452 mpm being only 42 mpm behind the SAHPA winner and 29 mpm in front of the 2nd placed APC pigeon.

The next year the nest mate to "55" HD. 19. 56 won 18<sup>th</sup> in the final Meringur race Meadows One Loft race 573 Km. Competing against 511 birds. Winning 7<sup>th</sup> overall averages for all race series.

I truly believe that there is a select type of pigeon that is adaptable to one loft environments and consistently perform within the loft.

**Bred by Tom Wills purchased at the Andrew Carrington Liverpool sale. Gifted by John Faulks. Bred from John Brislin "Fluffy cock" Deweedt and "Ace Jewels" Houben.**

**I hope "55" brings much success to his new owner in many one loft races throughout Australia.**

**Best Regards**
