SIRE

14 CCF 525

Alias "JASPER'S GHOST"
Strain: Van Loon
Color: Light Checker
A very special bird that was bred for stock off my N0 1 stock cock "Jasper" the producer of many, many winners among which are two Bird of the Year winners. One the MNCF Bird of the Year the other the CTN Club Bird of the year. 525 is bred of a father/daughter pairing.

DAM

3740 11 SMPS

Alias "DIANA"
Strain: NexGen Van Loon
Color: Blue Checker
Bred for stock. A truly magnificent bird that is bred in the purple. Inbred to my base Van Loons having produced many top race and stock birds. A better breeding eye would be hard to find. Flyers in three CCF clubs having done very well with birds down off this hen and others related to her.
