Amendments to 2021 Pre-paid requirements

1. For the first four races of the 2021 race season, NO restrictions apply – members may fly as many pigeons as they wish at no charge. This period will enable all members four (4) weeks of additional tossing and racing before pre-payment is required.
2. On Friday hampering of 25th June 2021, members are required to provide a list of race birds (in year/number order) advising the total number of race birds for the 2021 season for pre-payment. Payment of \$3/bird is to be directed to the club secretaries. Club secretaries are required to collect all lists and money and send to the SAHPA Treasurer that hampering night (Electronic transfer preferred for monies – note club and reference, eg *Metro prepaid*).
3. Pre-payment will entitle flyers 30 birds per week to each race (except the 5 bird specials). Flyers wishing to fly **more than 30 birds in club races** are required to pay \$1/bird over the 30 bird pre-paid. Club Secretaries are asked to collect all monies during the club races, then provide a reconciliation sheet (flyers, additional birds, monies) to the SAHPA Treasurer at the conclusion of club racing in a single payment. Electronic transfer should be referenced eg, *Nth Suburban extra club*.
4. A late payment for birds which may have returned after Friday 25th June 2021 and up to Friday 2nd July 2021 is allowed – late payment is \$6/bird. The additional birds are to be added to the original registration list, and the new list provided to club secretaries with the late payment fee. Club secretaries are asked to collect all amended lists and monies and send to SAHPA Treasurer on 2nd July 2021. Electronic transfer should be referenced eg, *Glenelg late prepaid*.
