SAHPA Management Committee recommendation is that clubs use the Membership rebate to assist member costs for 2020 season and the intention of the Ring rebate is for clubs to put it back into Club prizemoney for 2020 race season.

Please Note : Ring rebate has been calculated on the number of club members for 2019, we hope to be in a fortunate position at the end of 2020 to provide a rebate for rings, it will be based on the Ring Orders submitted by clubs, so we encourage members to order rings on their club order form to maximise their club rebate.
