Note : It is important that our members provide an accurate estimate of the number of birds, so that the SAHPA Secretary and Treasurer can calculate the fee per bird, which is based on the forecast cost of conducting the races divided by the number of birds. If a Flyer changes the number of birds on the list to be Prepaid by more than 5, can the Club Secretary make a notation as to the reason provided by the Flyer.

Any flyer that changes the number by more than 5 may be requested to attend a meeting with the SAHPA Management Committee to explain the circumstances why the number has changed within 4 days of providing the estimate.
