**Club Chairman and Secretary**

**Re: Crate Allocation 2021; Toss/Race Trailer project; Stock orders availability, Crate transfer between clubs.**

**1. Crate Allocation**

The SAHPA COM has reviewed crate allocation based on 2016 details (clubs, flyers, birds registered), 2021 details (clubs, flyers) and SAHPA/Club race bird numbers in the best supported races in the last three years.

The key parameters are flyer numbers, and the bird number per flyer for each club. For example, some clubs regularly have 25 race birds per flyer, some clubs at 15/flyer, some at 30/flyer.

On this basis the following table sets out the planned crate allocation for 2021.
