Note :

- 1) Objective to complete North races before weather is too hot.
- 2) Objective to have equal program on both lines of flight. (12 North and 12 South East)
- 3) To schedule the long races such as Coober Pedy and Marla before the probability of hotter weather we have to have a few double header race weekends. (6/6, 27/6, 4/9, 26/9)
- 4) North - no come back race from Carrieton, Included a comeback toss from Keith 24/7
- 5) Save on Transport costs and avoid weather we are having Coober Pedy 2 and Marla on same unit, will release birds on Friday from Marla then drive back to Coober Pedy for release on Saturday.
- 6) Save on Transport costs and avoid weather we are having Benalla and Springhurst on same day, will release birds from both Benalla (Trailer) and Springhurst (Truck) 70 kms further at same time.
- 7) Angel Flight donation will be based on members paying \$5 per loft, for Keith Training Toss and the Carrieton 3 race.
- 8) Races scheduled to give birds 3 week recovery between long races where possible.
- 9) Committee keen to have 6 long races
- 10) Five Bird Special races will be on main unit, not opposite lines of flight, noms included in Prepaid
- 11) North Races such as Carrieton/Stirling North will depend on winds if westerly, Stirling North
- 12) Introduced a Bye Weekend, so birds from Terang can recover for possible race 2 weeks later.
