26	Saturday	Benalla Open 1 / Doug Green Classic	Assoc	Thursday	680	SE10
Oct 3	Saturday	Springhurst / Bill Button Newland Cup	Assoc	Thursday	730	SE11

Notes :

- Objective to complete North races before weather is too hot which was successful in 2019.
- Objective to have equal program on both lines of flight. (11 North and 11 South East)
- To schedule the long races such as Coober Pedy and Marla before the probability of hotter weather, we have to have four double header race weekends. (4/7,11/7,18/7, 1/8)
- No come back races scheduled but Tintinara toss for \$5 per loft on Friday 7/8 enroute to Edenhope 2.
- Based on member feedback we have reverted back to 4 Assoc Long Distance races
- New ruling - Birds racing Benalla and Springhurst must have raced Hamilton or Terang, onus on flyer to provide proof through club nomination sheet that birds have competed from at least one of the races from those points.
- In 2021 the SAHPA Management Committee are introducing a race by law that young birds are not allowed to compete in races over 800km. This gives flyers time to build up an experienced team for 2021. This ruling is to improve returns, only mature and experienced pigeons to race the longer races eg (Marla).
- Five Bird Special races will be on main unit, not opposite lines of flight, noms included in Prepaid
- North Races such as Carrieton/Stirling North will depend on winds if westerly, Stirling North
- Short Distance Championship - SDC Points will only be allocated for 30 birds per flyer, if a flyer races more than 30 birds in a SDC club race, they must either mark SDC next to 30 birds or the first 30 birds on their nomination sheet (hampering sheet) will be used as their 30 bird nomination, when entering results, all birds clocked can be processed but only birds eligible for SDC will be ticked in the SDC pool.
