

Western Group

What a great year it could have been if not for the passing of our former Group Chairman, SAHPA Clock Chairman, friend, and tireless worker, Mr Kenneth Pridham. Ken will be sadly missed not only by his wife Pam and family but by all of us who had the pleasure to know him. So let's get on with the results side of our sport as Ken would have wished, but spare him a thought every now and then.

Western Group Results - West Torrens & Woodville Clubs

1st S. Hodgson	50 points
2nd Alan Harris	34 points
3rd Peter Burke / K & W Markou tied	27 points
5th W Tworkski	25 points
6th J & N Kokolakis	24 points
7th Richardson & Badger / P Arriola / P Mallia tied	18 points
10th Robert Male	17 points

West Torrens Points:

1st Club Stewart Hodgson 106 points - this guy absolutely blitzed the field this year leaving all of us rubbing our eyes in his shavings. Well done Stewart and good luck for next year.

Second place in the club points was part time golfer/pigeon flyer Phil Loveridge on 65 points. Not bad considering he had four weeks off to improve his swing on a cruise ship, aye Phil?

Third place on 64 Points was that great combination of Kos and Bill Markou - they are never far away - onya guys.

Fourth place with 52 points was the "old master" himself Michael Antoniwi. He really cleaned up on the last Nullarbor race. While all of us were just rubbing our eyes he was clocking pigeons - well done Michael!

In fifth place with 51 points came our hard working Chairman (and the Secretary of the "Adelaide Pigeon Club" partnership) of Monck & Goodacre - good onya boys keep up the good work.

Sixth place was Steve and Janet Summerton with 46 points - keep the fire burning Steve and thanks for all those wonderful steak sangas! We'll all have to go on diets in the off season.

In lucky seventh with 41 points we had Burkey (who was a late starter) but came good in the Alice and Marla races - good luck with the birds in Broken Hill. I'm sure he will be missed at the club.

Eighth place was Peter Mallia on 40 points.

Ninth place was John Kokolakis who was ready to beat the doctor with his walking stick, (if he could have run fast enough to catch him). He had 3 seconds to finish off the season.

Tenth place on 33 points was the old Westies man Doug Warhurst. Dougy's biggest disappointment was going to the SANFL Grand Final. Sorry the "LEGS" had to run all over your team like they did Doug.

Eleventh was Tony O'Loughlin 32 points followed by the Frangos Family with 17 points then we had Peter Brumfield 16 points. Tony Lewis and new flyer Raf Landowski tied on 3 points apiece.

We all had an enjoyable year, and to all of those hard working club, SAHPA Committee, Secretary, Chairman, Treasurer, Ring Secretary, and behind the scenes workers, thank you all for your efforts. We wish everyone the seasons greetings from the West Torrens Invitation Homing Club.

Good Luck to you all and

Cheers from the "Western Red"
