About Viv's Family and the Sale

Viv has been battling cancer for many years, he bred and paid up for a small team to race in 2023 but unfortunately spent over 6 weeks in hospital and was unable to put the time into his birds this year and did not race at all in 2024.

All the 2023 birds have been tossed from Tailem Bend and Karoonda.

In recent years, Viv has chosen to only race the South East and North East lines, he trains them through the Hills every week. They are a family of **tough East Line birds** which will be in demand for the coming season 2025.

Mark Bruggemann is recognised by the Southern flyers as having the very best East line family of pigeons, any one who Mark has been generous to lend or give pigeons has done extremely well. Mark Bruggemann pigeons have been added to Viv's family of pigeons and done extremely well.

Viv was a good friend of Warren Moyle and many of Warren's best birds, form the background of Viv's hens.
