

SOUTH AUSTRALIAN RACING PIGEON CONVENTION

2026

UNITY • SPORT • TRADITION • EXCELLENCE

Stall Holder Invite.

The South Australian Long Distance Racing Pigeon Club (SALDC) hereby invite your business to participate in the upcoming National Racing Pigeon Convention in Adelaide which is being conducted in November 2026.

International Guest Speakers will ensure we have a healthy attendance from pigeon flyers from every state of Australia, with a solid appetite for all things Pigeon Racing and we would welcome your involvement as a stall holder and you being able to show your wares to a welcoming and interested crowd. The stalls will be upstairs in the carpeted race viewing auditorium.

The aim of this Convention is to not just have a great Weekend with plenty of Racing Pigeon knowledge to be learnt and good products to purchase, but to raise some funds to assist with the cost of the convention and the guest speakers, plus help the SALDC and the SAHPA in their endeavours to promote the great sport of pigeon racing and contribute toward the costs of competing and the welfare of their pigeons. We feel your attendance can only help our chance of having a successful Convention.
