Draft considerations :

- 1) Finish the season by end of September, so the long weekend on Monday October 7th is free for families. Therefor there was need to have 2 double up races during the short races to reduce program by 2 weeks
- 2) Most flyers prefer to start their birds on the East line later in the season after they have had some North tosses/races. Therefor the draft program - the Short Races, has 6x N/NW races and 4x East races, first E on the 3rd weekend
- 3) The Association races are evenly split 6x North/North West and 6 x East races
- 4) Included a "come back" race (Stirling North / Carrieton 3) to assist flyers who have birds that have a delayed preparation
- 5) Come back race is 3 weeks before Glendambo Open which helps with preparation of the old birds
- 6) East line race points were based on 2016 race program.
- 7) Removed two races (The Twins 2 same hampering as Marla) + (Second East race on the last weekend), member feedback of having 2 races on same weekend was not popular and not enough birds for last weekend.
