

2026 ANRPB Ace Bird Awards

As the 2026 race program is drawing to a close now is the time to consider nominating your most consistent pigeon/s that meet the ANRPB criteria to be considered for a National Ace Bird Award in the Short to Middle Distance Category, Middle to Long Distance Category and/or Overall Category.

The winner in each category will be presented with a trophy along with a framed photo of their winner, and an A4 certificate. In all there are Certificates awarded to the first 10 positions in each of the categories.

The winner in each of the categories will also have their photo displayed on the ANRPB's website "Hall of Fame" where the previous eight Ace Birds photos can be viewed. A photo and short article on each of the category winners will be provided to the Editor of both the ARPJ and the UK Pictorial International Magazine.

If you have a pigeon/s worthy of being considered for an award then you can download "**Nomination Forms**" from your own Federation website or the ANRPB website along with a copy of the "**Terms and Conditions**" or you can request a copy by emailing Paul Gibbs at pigeon52@bigpond.net.au

2026 will be the fourth year that these awards are being offered to Australian fanciers to participate in with previous winners having come from various States and Federations across the country, so this could be an opportunity to have your Champion Race Birds recognised both Nationally and Internationally.

Email completed Nomination Forms to the address above by **31 January 2027**.
