New Weather Policy to save money by not running the Training Units in unfavourable conditions when the number of birds tossed is likely to not be viable.

Training Units will not run if forecast at 4pm the day before

1. Heavy rain (more than 10ml) is forecast for that day.
2. Head or Tail winds in excess of 45km/h
3. Thunderstorms or Lightning is forecast.

NOTE:

Drivers may shorten the training point when needed due to poor weather.

Only in extenuating circumstances will the training day be changed.

To avoid confusion : The SAHPA Secretary will endeavour to update Release Forum by 6pm the day before if Training Units will not run the following day.
